

**FORM No. 17**  
**PETROPERÚ S.A. - INVESTMENT PROJECT SHEETS**  
**EXPLOITATION OF HYDROCARBONS IN LOT 192**

**1. Description**

It consists of producing the recoverable technical volumes of hydrocarbons of Lot 192 in a 30-year Hydrocarbon Exploitation License Agreement period.

The project includes the drilling of 42 new development wells and 1 exploratory well, the reconditioning of 19 wells, the conversion of 06 reinjector wells and the construction and assembly of production facilities in the plants and deposits of the lot. As well as the adequacy of ducts belonging to the Lot.

**2. Components of the investment**

• Preliminary activities:

-Studies and Consultancies: includes the study of Environmental and Social Due Diligence, legal and financial consultancies for the selection and association with a strategic operating partner.

-Project Management: Includes personnel expenses that support the administrative and operational management prior to the License Agreement.

**3. Funding source**

PETROPERÚ S.A. own resources.

**4. Physical and financial progress to Q IV**

<b>Total</b>	<b>887,760</b>	<b>8,448</b>	<b>30,629</b>	<b>367</b>	<b>0</b>	<b>0</b>

<sup>1</sup> Investment corresponding to 39% participation of PETROPERÚ S.A. in the License Agreement of Lot 192 in joint operation with operating partner (Technical Report No. GOPE-1078-2021 of 28.05.2021).

<sup>2</sup> Annual Budget approved with Board of Directors Agreement AD No.138-2021-PP of 12.06.2021

<sup>3</sup> Physical advancement will begin when the partner is incorporated into the License Agreement.

**5. Main activities carried out and current situation**

- Activities on Lot 192 have been halted since February 2020. The company Frontera Energy, a private operator, concluded the Temporary Services Contract in February 2021, returning the lot to Perupetro S.A., an institution that has maintained responsibility for its surveillance, custody and maintenance of the goods and facilities to date.

- Production activities will resume once the partner of PETROPERÚ S.A. is incorporated into the License Agreement as an Operator. In this regard, by D.S. No. 009-2022-EM, published on 25.07.2022 in the Peruvian Journal, Perupetro is authorized to sign with PETROPERÚ S.A. the License Agreement for the Exploitation of Hydrocarbons of Lot 192.
