

INTEGRATED MANAGEMENT POLICY

FOR QUALITY, ENVIRONMENT, PROCESS SAFETY AND WORKPLACE HEALTH AND SAFETY

Petróleos del Perú – PETROPERÚ S.A. is a State company of the Energy and Mines Sector, whose corporate purpose is to carry out the activities established by the Organic Law of Hydrocarbons in all phases of the industry and trade of hydrocarbons including their derivatives, basic and intermediate petrochemicals and other forms of energy.

PETROPERÚ S.A. declares that it manages its activities ensuring the quality and competitiveness of its products and services to meet the needs of its customers; protecting the environment, guaranteeing the safety of its processes, the physical integrity, health and quality of life of its workers, collaborators and other people who may be involved in its operations; and the protection of property. Likewise, it promotes the strengthening of its relations with the community around it, making efforts to carry out its activities in a sustainable way, reducing its possible negative impacts.

To this end, in its workplaces it develops its integrated management of quality, environment, process safety, safety and health at work, based on the following commitments:

- Carry out its activities responsibly and efficiently by maintaining auditable management systems under a preventive approach, comprehensive efficiency and continuous improvement.
- Identify, evaluate and control the environmental aspects, hazards and risks of their processes, products and services relevant and appropriate to their context; protecting the environment and preventing environmental pollution by managing the efficient use of energy and other natural resources, and strategies to combat Climate Change; eliminating hazards and reducing risks, providing safe and healthy working conditions for the prevention of injuries and deterioration of the health of work-related people, with the aim of meeting the needs of their customers.
- Comply with applicable current legislation, internal regulations and voluntarily signed commitments, related to the Management Systems.
- Promote the development of the skills of its workers, oriented to the fulfillment of the objectives and goals established.
- Promote the consultation and participation of workers and their representatives in the development and improvement of the Management Systems implemented.
- Provide the entire organization with the necessary and required resources to achieve a performance in accordance with this Policy.
- Disseminate this Policy to its workers, customers, collaborators, authorities, community and other stakeholders, encouraging a diligent attitude, through awareness and training appropriate to their requirements

Compliance with this Policy is the responsibility of the directors, managers, workers and suppliers of PETROPERÚ S.A.
